Fall 2024*	32	31	32

*New Approach

Note: In previous years, the Fact Books reported the most recent SAT and ACT scores. Starting with the 2024 Fact Book, the scores now reflect the highest scores achieved by the students. Scores from Fall 2023 and earlier follow the previous reporting method, while scores from Fall 2024 onward adhere to the new approach.

Undergraduate students, with the exception of non-degree-seeking students, shall be classified at the end of each academic term by the Office of the Registrar on the basis of the total number of attempted credit hours for which they have successfully earned credit in accordance with the following:

Class	Credits Earned
Freshman	0-29 credit hours
Sophomore	30-59 credit hours
Junior	60-89 credit hours
Senior	90+ credit hours

*Georgia Tech partners with high school and home study programs to enroll students in advanced courses. Our program intends to enrich the high school experience, not replace it. Students who take classes at Georgia Tech usually continue taking classes and participating in activities and organizations in their high school communities.

Distance Math and On-Campus Dual Enrollment programs admit students for fall semester only. If you are admitted for fall semester, you may enroll in spring semester courses pending satisfactory academic performance in the fall. Distance Computer Science admits students for Summer, Fall, or Spring semesters. That program includes one-semester courses and students may take one or more.

The admission process is selective. Most admitted applicants have completed the highest level math and science courses available in their high school curriculum. Visit the Office of Undergraduate Admission website for more details.

**Please note the freshman numbers in the above chart are not based on cohort. The freshman number is the number of students enrolled classified as freshman by the Registrar.

* The freshman cohort is defined as the matriculation term (either summer or fall) of undergraduate, first-time students. If a student starts in the summer, their immediate fall is their defined cohort. Important: College, Program, Department, Major, Full/Part-Time Status, and residency is based on students information during their matriculation term only.

International Programs

ACADEMIC INFORMATION

Georgia Tech strongly believes in the importance of international experience for students. Student interest in international programs has been growing steadily for two decades. Georgia Tech is committed to expanding opportunities for students to participate in academically and culturally valuable international programs.

Study Abroad...Explained

Studying abroad gives students an opportunity to improve their global competencies while meeting their academic goals, as students are able to take classes to fulfill their degree requirements in a foreign country.

According to Georgia Tech Office of International Education, 2,000+ students study abroad annually. There are over 120 study abroad programs, ensuring that students can participate regardless of choice of major.

Georgia Tech Study Abroad by Year 2014 - 15 through 2023 - 24*

Year	Number

International Programs

ACADEMIC INFORMATION

Global Research and Internship Program

Since 2014, the Global Internship Program (GIP) has been housed in the Office of International Education. GIP facilitates overseas internships for Georgia Tech students in a variety of settings, including corporate, academic, research, non-profit, governmental, and service. Note that global internship participation numbers are included in the overall international experience totals.

*Due to the COVID-19 pandemic, a significant number of international internships were suspended.

International Programs

ACADEMIC INFORMATION

International Plan

The International Plan is a challenging undergraduate academic program that develops a student's global competence within the context of his or her major. It is an optional, degree-long program that integrates overseas experiences, language proficiency, and globally-focused coursework into 31 participating majors (out of 36). It builds on existing undergraduate degree requirements and international opportunities. The IP is intended to be completed within the normal time frame of a four-year undergraduate degree. Completion of the International Plan is recognized by a designation on the student's diploma indicating a commitment to developing global competence as part of the degree, e.g., "B.S. in Electrical Engineering: International Plan."

College	Total IP Participants as of May 13, 2024	New First-Year Participants Joined IP in AY2023 - 24	Number of IP Graduates in AY2023 - 24	Total Number of IP Graduates Since Inception

International Student and Scholar Services

International Student and Scholar Services (ISSS), a unit of the Office of International Education, serves as a resource and advocate for the large and diverse population of international students and scholars. ISSS strives to create an environment where international students and scholars are able to make a well-integrated transition to Georgia Tech through diverse cultural, educational and leadership opportunities. In addition to serving enrolled students, ISSS also provides services to graduated students completing training in their field of study using Optional Practical Training (F-1 graduates) or Academic Training (J-1 students). OIE serves a vibrant community of Exchange Visitors who come to Tech to conduct research, teaching or related scholarly activities. Since 2013, the Exchange Visitors include student interns.

The Enterprise Innovation Institute (EI²)

The Enterprise Innovation Institute (EI²) is Georgia Tech's socioeconomic development business and community outreach organization. It is a primary conduit in Georgia Tech's goal of expanded local, regional, and global outreach.

EI² is the nation's largest and most comprehensive university-based program of entrepreneurship and startup company development, business and industry growth, ecosystem development, international outreach, and student engagement.

EI²'s programs help entrepreneurs, industry, and the public sector be more competitive and increase economic impact in Georgia, nationally, and globally. Our mandate is rooted in inclusion, and we are committed to serving a diversity of clients and customers. EI² brings these areas of expertise into a single organization to give clients comprehensive solutions customized to their individual needs.

Reporting to the Office of the Executive Vice President for Research at Georgia Tech, EI² serves startups, industry, the public sector, and government to help increase the bottom line, improve competitiveness, and positively impact the economy. In addition, EI² provides connections to Georgia Tech's vast resources, including world-class research, state-of-the-art facilities, internationally recognized experts, and faculty and student talent.

EI²'s key programs include the Georgia Manufacturing Extension Partnership (GaMEP), the Advanced Technology Development Center (ATDC), EI² Global, Georgia Artificial Intelligence in Manufacturing (Georgia AIM), and the Partnership for Inclusive Innovation.

Select EI² impact results in fiscal year 2024:

- **\$6.23 billion in startup capital investments**
- **24,835 jobs created or saved**
- **\$999.21 economic impact generated for every \$1 in state appropriated funding**
- **412 startups and 24,952 small and medium enterprises served**
- **12 Georgia Tech academic courses taught**
- **418 professional education courses taught**
- **All 159 Georgia counties served**
- **Leverage of state funding to generate external funding for EI² programs: 1:2.17**

EI² manages a network of 10 Georgia Tech Regional Offices around the state to facilitate delivery of economic development services and to provide a local connection to Georgia Tech. To learn more about EI² or to take advantage of these outreach opportunities please visit: innovate.gatech.edu.

Georgia Institute of Technology Accreditation

Mission

The Georgia Institute of Technology is a public research university established by the state of Georgia in Atlanta in 1885 and committed to developing leaders who advance technology and improve the human condition.

Institute Accreditation

Georgia Institute of Technology is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award baccalaureate, masters, and doctorate degrees. Georgia Institute of Technology also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Georgia Institute of Technology may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).
