# International Programs ACADEMIC INFORMATION

Georgia Tech strongly believes in the importance of international experience for students. Student interest in international programs has been growing steadily for two decades. Georgia Tech is committed to expanding opportunities for students to participate in academically and culturally valuable international programs.

#### Georgia Tech Students Abroad by Year 2007-08 through 2016-17\*

Year	Number
2007-08	1,114
2008-09	1,189
2009-10	1,279
2010-11	1,391
2011-12	1,478
2012-13	1,577
2013-14	1,816
2014-15	1,967
2015-16	2,111
2016-17	2,215

\*Year is equal to Fall Semester through Summer Semester of the following year.

#### **Global Internship Program**

Since 2014, the Global Internship Program (GIP) has been housed in the Office of International Education. GIP facilitates overseas internships for Georgia Tech students in a variety of settings, including corporate, academic, research, non-profit, governmental, and service. Note that global internship participation numbers are included in the overall international experience totals.

Year	Number of global interns

#### **International Programs**

ACADEMIC INFORMATION

#### **International Plan**

The International Plan is a challenging undergraduate academic program that develops a student's global competence within the context of his or her major. It is an optional, degree-long program that integrates overseas experiences, language proficiency, and globally-focused coursework into 27 participating majors (out of 36). It builds on existing undergraduate degree requirements and international opportunities. The IP is intended to be completed within the normal time frame of a four-year undergraduate degree. Completion of the International Plan is recognized by a designation on the student's diploma indicating a commitment to developing global competence as part of the degree, e.g., "B.S. in Electrical Engineering: International Plan."

College	Total IP Participants as of of May 12, 2017	New Participants Joined IP in AY2016-17	Number of IP Graduates in AY1016-17	Total Number of IP Graduates Since Inception

#### **International Student and Scholar Services**

International Student and Scholar Services (ISSS), a unit of the Office of International Education, serves as a resource and advocate for the large and diverse population of international students and scholars. ISSS strives to create an environment where international students and scholars are able to make a well-integrated transition to Georgia Tech through diverse cultural, educational and leadership opportunities. In addition to serving enrolled students, ISSS also provides services to graduated students completing training in their field of study using Optional Practical Training (F-1 graduates) or Academic Training (J-1 students). OIE serves a vibrant community of Exchange Visitors who come to Tech to conduct research, teaching or related scholarly activites. Since 2013, the Exchange Visitors include student interns. Welcoming a community that includes students and scholars from around the world reinforces the goal of graduating good global citizens.

Year	F/J Student Visas	Post-Graduation Student Visas (OPT/AT)	J Student Interns	J Scholars	Institute Total

#### The Enterprise Innovation Institute (EI<sup>2</sup>)

Create Accelerate Grow

The **Enterprise Innovation Institute (EI**<sup>2</sup>) is the Georgia Institute of Technology's economic development and business services organization. Georgia Tech was founded to support Georgia's economic development and EI<sup>2</sup>'s focus — "*Create > Accelerate > Grow*" — is the continuance of that core mission. We achieve this through our extensive suite of programs and services and by leveraging Georgia Tech's broad resources and that of our economic development partners. EI<sup>2</sup>'s programs support **commercialization to** help bring faculty and student innovations to the market, accelerate **entrepreneurship** and technology startup creation, and help the **growth** of existing businesses, manufacturers, communities in Georgia, and beyond.

EI<sup>2</sup>'s key programs include the **Georgia Manufacturing Extension Partnership** (GaMEP), the **Advanced Technology Development Center** (ATDC), **VentureLab**, and **the Economic Development Lab**. See <a href="innovate.gatech.edu">innovate.gatech.edu</a> for a complete listing of programs and services.

#### EI<sup>2</sup>'s economic impact in fiscal year 2017:

- 26,000 jobs created or saved across the state.
- \$1.6 billion in government contracts for assisted companies.
- \$259 million in new sales for assisted manufacturers.
- \$117 million in new contracts for minority-owned companies.
- \$96 million in investment for technology startups in the ATDC incubator.
- \$9.7 million in new sales for assisted companies affected by foreign trade.
- 25 startups formed based on Georgia Tech research.

EI<sup>2</sup> manages a network of 11 Georgia Tech Regional Offices around the state to facilitate delivery of economic development services and to provide a local connection to Georgia Tech. To learn more about EI<sup>2</sup> or to take advantage of these outreach opportunities please visit: <u>innovate.gatech.edu</u>.
